

GO NUTS

PIVOT HEAD VALVE KEYS

- **Pivoting head** is designed to fit difficult-to-reach 2" operating nuts.
- **Heavy gauge**, mechanical steel tubing shafts support a maximum torque of 200 foot-pounds.
- **Made in USA**, Reed valve keys feature strong welds at critical points.
- Added safety feature — valve keys bend before they break.
- Use manually with included handle or with Reed's 700PD Power Drive and clutch for power valve operation.

NEW

Item No.	02341	02345
